

There are 10 levels of "Kyu" – students can take exams from level 10 to advance levels

- Time tables calculation required after 9 kyu
- Division calculation required after 8 kyu
- Our curriculum follows exams by "League for Soroban Education of America"
- Students need to pass the exam to advance levels
- There are 4 exams per year(every 3month)
  - o Each student have different progress – instructor let parents and students know when to take exams

It is very important to take exams to motivate students. An instructor motivates students to take exams to make a goal.
